DARROW CHARGES MACKEY IS ARE DISMISSED

Los Angeles County Records Dissolution of Huge A. T. & Cleared of Last Vestige of McNamara Trial.

BONDSMEN

Trials to Prove Bribery Insufficient to Convict.

Los Angeles, Cal., Dec. 20,-County records of Los Angeles county were cleared today of the last vestige of the famous McNamara dynamiting ca

District Attorney Fredericks told Judge Jackson of the superior court that Darrow had been tried twice that Darrow had been tried twice once when the jury acquitted him and again when the jury disagreed and that the evidence, in the light of previous experiences, was not sufficient to convict.

The indictments against Darrow were the outcome of the sensational episode immediately preceding the sudden determination of the McNa maras to plead guilty, when Bert Franklin, one of Darrow's agents, was arrested on the street in the alleged act of bribing George Lockwood, a jury venireman, summoned in the dypury venireman, summoned in the dynamiting case. Robert Bain, the first juror chosen to try the McNamaras, then confessed that he had accepted a bribe of \$500 with the prometable base brought about this complete disise of \$2000 more. Franklin became a state witness against Darrow. The attorney was acquitted when tried in the Lockwood case, the jury disagree the Lockwood case, the jury disagree-ing when he was called to the bar on the Bain accusation

Darrow has been under bonds ag gregating \$10,000 for two years. His bondsmen were released today.

# BOOKLET PUT OUT BY THE UNION PACIFIC RAILROAD

"Ogden Canyon. Nature's Glory in the Rockles," is the fitte of a booklet that was received today at the Weber club. It was compiled by J. David Larson, and published by the Union Pacific over all its connecting lines and will be the means of giving wide publicity to Ogden.

"Ogden Canyon. Nature's Glory in the plant of the pioneers of the plants of the plants of the plants of the fights they had with the redmen, and the troubles of the carly days on the plains.

From Ogden he will go direct to distributed by the Union Pacific over all its connecting lines and will be the means of giving wide publicity to Ogden.

Washington, D. C., Dec. 20.—After a hot debate in the bouse today, ad ministration leaders had their way and sent the currency bill to a conference committee. Attempts to conference committee. Attempts to conference committee. Attempts to conference of the fights they had with the redmen, and the troubles of the early days on the plains.

From Ogden he will go direct to distributed by the Union Pacific over all its connecting lines and will be the means of giving wide publicity to Ogden.

number of views of prominent spots Journal of interest and natural beauty in the Ogden canyon, and school scenes parks and residences in the city. On the front cover is a picture of the "Hermitage" in the canyon and on the back is a view taken at the can yon entrance

In the middle of the book across two pages are views of the city from the City Hall park, the railroad yards and the freight yards. In addition to the pictures, there

are 20 pages of "Booster material." This includes an explanation of the beauties of Ogden canyon, the matic conditions in Ogden and Weber county, the churches and the public school system, and the sterling citi zenship of which the community is composed. It also takes up the build ing activity, the financial standing the city as a railroad center, the cement industry, the forestry service, clubs and fraternal orders, the results of irrigation, sugar and sugar beets, horticulture, livestock, manu facturing and mining. It closes with a few words telling of the opportuni ty for one to make a home for hiw self and family and to find succets in any line of endeavor he should care to follow.

terested spectators of the senate's total reserves of the banks in the proceedings. Mrs. Wilson stayed in system, both in cash and in credit, the private gallery until 7 o'clock, but with the reserve banks, would be left before the bill had passed. Gal-leries and the floor of the senate were crowded throughout the day, and the passage of the measure which has held congressional attention for many months was greeted with unchecked applause from the galleries.

Miss Irene Shannon; at the right, as she appears in her comic skit, "November Mourning."

'Miss Irene Shannon, variety actress and artists' model, is the original of Paul Chabas' famous painting, "September Morn." This is the painting which reveals a young lady unattired standing ankle deep in water on a cool morning in autumn. It has precipitated an immense amount of discussion. Miss Shannon is making use of this publicity by going into vaudeville and doing a comic skit in which she appears as "November Mourning."

Senator Hitchcock announced his purpose to vote for the senate bill as finally completed because of its great importance to the financial world. "My whole fight has been to strengthen and improve the bill and to prevent hasty and blundering legislation," he said. Senator Weeks sald he would vote for the measure because it was 75 per cent good and only 25 per cent bad, and an improvement over existing con

Final Work Begun.

Final work of preparing the admin-istration currency bill for President Wilson's signature was begun today when the house and senate conferces known as it passed the senate, and the Glass bill, which was the adminis-

tration measure in the house Senators Owen, Reed O'Gorman. Pomerene, Shafroth and Hollis, Democrats, and Senators Nelson, Bristow and Crawford, Republicans, will represent the senate in the conferences. Chairman Glass of the house banking committee, who was sponsor for the bill in the house, will head the con-ferees, who will include Representa-The latter was his nome for some to Ogden.

ranch to ranch, or are lost in the mountains.

It was asserted that practically all of the outposts placed about Guaymas by the federal commander had deserting the federal co commission today prepared to scan the details of the separation of the American Telephone and Telegraph company from the Western Union and the work of discussing telephone af-

fairs throughout the country which threatened federal action. Administration supporters, after in formal conferences on the telephone dissolution and going over so much of the plan as has been published, were of the opinion that the latest development would at least retard the movement to present the government ownership question to congress.

Lewis Urges Action. Representative Lewis of Maryland, author of the parcel post law and nctive in the movement for govern-ment ownership of telegraph and tele-phone lines, introduced a resolution however, to direct the house postoffice committee to go shead and re port a bill for government ownership of telephone lines, to be operated by

the postoffice department.
In a statement accompanying his resolution, Mr. Lewis contended that the action of the Bell Telephone comarti-trust law, did not affect the legis-lative situation at all. "The action of the Bell company will not reduce a single telephone or telegraph rate in the United States, and so the public necessities for legislative action to postalize these methods of communication, as they have been in nearly all other countries, are not affected in the least," said he.
